

FIRST CHRISTIAN CHURCH

This building contemplates life, living, and faith in its architecture. A sanctuary and school, First Christian Church brings together the community. Prayer, learning, and relaxation can be found on the grounds, whether it is in the adult lounge, daycare and school, courtyard, playground, or in the impressive pentagonal sanctuary space.

The clean lines of the building keep this multi-functioning complex neatly integrated, while the innovative geometry also defines and separates the church from the school. The sanctuary space is focused upon with a roof that spikes up into the sky, drawing eyes up towards the heavens.
