

## THEATRE ARTS FOR CHILDREN

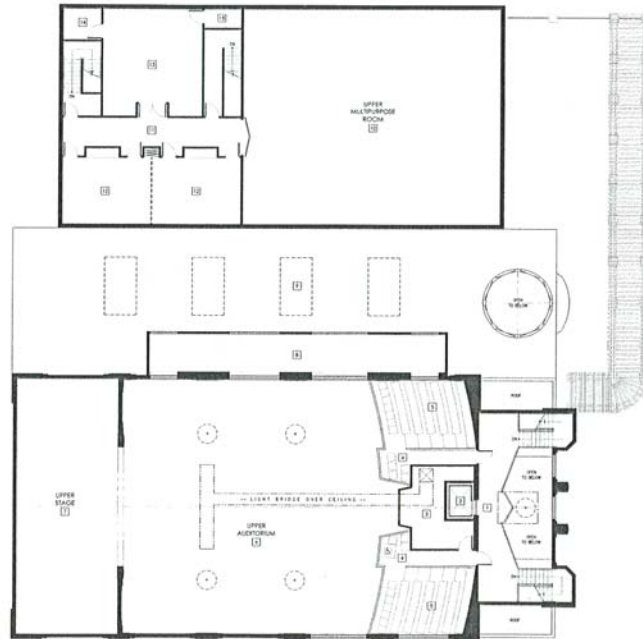

**T**he old Newhall Elementary School Auditorium is being restored by dedicated members of the community. Combs + Miguel have been selected to work with Theatre Arts for Children, a non-profit organization, to provide programming, master planning, and design for the 530-seat Art Deco styled auditorium. An adjacent 5,000

square foot warehouse building will be remodeled into a multipurpose room with a catering kitchen. Also incorporated into this multipurpose building will be 3 classrooms for community arts education. An area between the two existing buildings will be developed for theater offices, restrooms, and dressing rooms.
